

**Announcement of Expression of Interest
for Registration of Senar Boats Targeting the 2026 Swordfish Quota**

The Agency for the Protection and Development of Lakes and Fish Resources honored to announce the opening of registration for fishing boats operating with the Senar gear. A preliminary step to select the boats that will be included in the list of vessels authorized to target the swordfish quota allocated by the International Commission for the Conservation of Atlantic Tunas (ICCAT), in accordance with the conditions and controls issued by the Commission and the applicable regulatory rules in this regard.

General Conditions:

The boats to be registered must meet the following conditions:

- The boat must be licensed, with a valid license, and operating with the Senar gear.
- Full compliance with all requirements and conditions of the ICCAT.
- If the length of the boat exceeds 15 meters, it must registered with the International Maritime Organization (IMO), and a national scientific observer must be on board during the fishing trip.
- If the boat wishes to export, it must registered on the white list of the National Food Safety Authority.
- Commitment to any additional controls issued by the Agency at later date.

Method of Application:

An official letter must be sent to the Agency's headquarters, addressed to His Excellency the Executive Director of the Agency, including the data for the boat to be registered for the year 2026, with the registration license attached.

Deadline for Submitting Expressions of Interest: March 15, 2026
